

Lighthouse shines at DY

The Lighthouse Boys and Girls Cross Country teams both won hard fought races to gain doubled wins over DY on their 1.5 mile course. The boys and girls both ran separate races and the boys saw Jackson Horton (10:14) and Wyatt Potts (10:15) split the top two DY runners taking second and fourth overall. Horton and Potts had great races with Potts battling his own brother throughout the race and both finishing in a sprint on Horton's heels. Lighthouse captain Brandon Gonsalves (10:26) ran great as well and took fifth overall and led a huge pack of Keepers that would seal the win for the team. Finn Conlin, Ben Rebeiro, Sean Carr, and Owen Didato would take 7th, 8th, 9th, and 10th respectively. Also finishing with great times were Rory Ancahas, Forest Smith, Soren Wake, and John O'Brien.

The girls would see DY take the first two spots despite a valiant effort from Olive Perkins (11:19) who finished third overall. A pack of Lighthouse girls however would follow with Stella Papazova 4th (11:25), Lyla Perera 5th (11:37), and Olive Salazar 6th (11:54) giving the team a great position in the scoring. Julia Lema, despite some breathing problems, grabbed 8th overall to seal the victory for the girls. Also finishing and having great races for the Keepers were Charlotte Nagorka, Alexa Crocker, Kaiya Brintnall, Naomi Britto, Eloise Drowne, Maya Noteva, and Emma D'Errico.
