Notes to Home: First Day 2025!

Greetings CCLCS Families!

What a treat to see so many smiling faces back on campus this morning. I've already had a chance to hear about the 8th graders' favorite summer memories, to see the 6th graders build "connection webs," and to watch the 7th graders settle into their new wing of the building. Thanks to all the parents and guardians who helped with transportation on this first day. I'm sure it wasn't easy to get everyone up and out, but we are off!

Volunteer Day: August 23

A HUGE THANK YOU to the families who came to help with our campus "glow up" including the Moseleys, the Garraos, the Gilmores, the Schmidts, the Monacs, the Magids, and the Cremas. The campus looks fantastic!

Do Not Photograph

As our school year begins, we will be taking and sharing photos with our families. If you do NOT want us to include photos of your child, please fill out the following : <https://tinyurl.com/yfc6w6vz>

Device Registration

Reminder! We are a personal device free school. This policy applies to all cell phones & smart watches. CCLCS led the way in implementing this policy years ago, and we have found it makes a very positive impact on our school culture and our students' ability to learn!

Students will hand in their devices during homeroom at the start of the day and receive them back at the end of the day. Devices will be kept in the main office during the school day. If a student is dismissed from school, devices can be collected from the main office before leaving.

ALL guardians must complete the following form for each of their students! [Cell Phone Policy & Registration](#) ***Please complete for each student, even if they do not own a device at this time!*** If your child gets a device during the school year, please update. Thank you!
